Etiquette for Children

Do your children appreciate good manners? Let Millie Chastain help your children learn without even realizing that is what they are doing! Millie Chastain is a trained etiquette consultant and is the Director of The Protocol School of Alabama. She actually makes learning good manners fun.

Confidence in party and dining situations frees one from worrying about making mistakes. Everyone has experienced awkward moments — dropping a fork on the floor and wondering whether to pick it up or showing up at a party all dressed up while everyone else is wearing jeans.

Students learn to feel comfortable and self assured in social situations. These fun and informative programs include role-playing exercises, instructive materials, and a workbook for each student to keep as a reference guide. The children learn:

- Meetings & Introductions
- Handshaking
- Conversation & Listening Skills
- Telephone Etiquette
- Etiquette of Public Places
- Extending & Receiving Invitations
- The ABC’s of Table Manners

The class includes an age-appropriate **tutorial dinner**. Give your son or daughter the gift that lasts a lifetime.
